

Help is here whenever you need it

📌 Save for future reference

WE'RE HERE FOR YOU

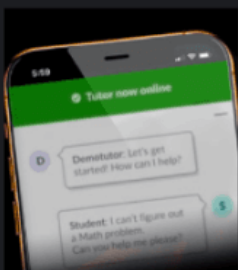

Help Is Available Every Step of the Way

When you first start learning online, it can be hard to know who to reach out to with questions. Let this email be your guide!

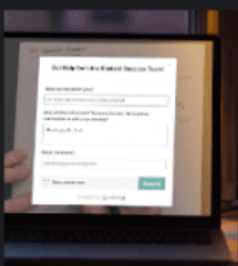

Instructors

Your instructors are here to answer questions about coursework, deadlines, and grades. You can meet with them during office hours or email them at any point throughout the course. You should have received an email from your instructor on the first day of class.

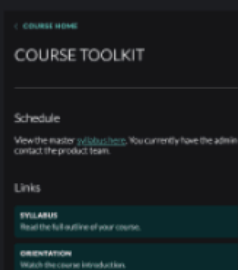

Skooli

Get unlimited 1:1 tutoring with subject matter experts in your math and writing courses: Precalculus, Calculus, College Algebra, Philosophy, and College Writing. Access Skooli through your student dashboard for help with those tricky math problems or feedback on your papers.

Student Success Team

Have general questions about Outlier? Not sure how to use the Outlier platform to complete your coursework? Reach out to our Student Success team.

Course Toolkit

Refer to the course toolkit for important resources like your course syllabus, schedule, policies, and more. You can access it 24/7 from your student dashboard.
