

 **See into your future with course syllabi**
Class starts tomorrow. Here's what you can expect.

REVIEW YOUR COURSE SYLLABI

Class starts tomorrow, so now's the time to start preparing. Review your course syllabi to learn what you can expect in your courses this term.

Each course syllabus outlines:

- + Weekly topics and assignments
 - + Grading criteria
 - + Class policies
- + Course outcomes

Log in to your Student Dashboard, then navigate to your Course Toolkit to review your syllabi before class starts on January 11.

GET READY WITH ORIENTATION

Get a sneak peek of your learning experience. The orientation video will walk you through the online learning platform where you'll take your courses. You'll see:

- + How your course lectures, active learning, and assessments will work
- + Where you can interact with your instructor and classmates
 - + How to access all of the resources, tools, and support available to you
